**Abstract:** A Centralized Examination Station (CES) is a privately operated facility where merchandise is made available to CBP officers for physical examination. If a port director decides that a CES is needed, he or she solicits applications to operate a CES. The information contained in the application is used to determine the suitability of the applicant's facility; the fairness of fee structure; and the knowledge of cargo handling operations and of CBP procedures and regulations. The names of all principals or corporate officers and all employees who will come in contact with uncleared cargo are also to be provided so that CBP may perform background investigations. The CES application is provided for by 19 CFR 118.11 and is authorized by 19 U.S.C. 1499, Tariff Act of 1930.

CBP port directors solicit these applications by using port information bulletins, local newspapers, and/or the internet. This collection of information applies to the importing and trade community, which is familiar with import procedures and with the CBP regulations.
